## **WHO**

Are bringing more medicine to support local hospital. Should get in touch with Save the Children has they do have 44 WHO kit ready to be distributed to 5 clinics within Tyre.

Here is the contact person: Sylvain Perron: 709 742 52

Brought 1,000kg of chlorine, will support Wadih Jilb that will provide clean water to Yanuh.

Provide kit to Al Bazarihya

Provide Trauma-kit to Rachaiya

## **MERLIN (on behalf of OXFAM GB)**

**Q:** procedures to get free warehousing space?

**A:** Straight forward, send your request to either

[fisseha.dejene@wfp.org](mailto:fisseha.dejene@wfp.org) or [gert.wamfors@wfp.org](mailto:gert.wamfors@wfp.org)

We will make sure that we will get back to you in very short notice. Please provide us the minimum information such as type of commodities, volume and weight (if possible), number of trucks to be offload and the length of storage in order to provide the best service possible. We will take care of the stock management

In addition, to release you cargo use the same contact person mentioning the date and time of loading.

## **UNJLC**

Insist and recommend that we should as much as we can consolidate transport as the volumes are quite small and the FDP are increasing.

## **WFP vessel**

Cargo and passengers vessel will stop operation on the 4<sup>th</sup> of September

## **Cargo and Convoy**

## **Issues:**

Water Tank for household: Suppliers are facing some shortage of row material. UNICEF, Oxfam and Action Contre la faim should get together.

**Q Merlin:** when is the next Watsan cluster meeting in Tyre?

**A: Rest House Tuesday 16h00pm 5 of September**
